MNFC Success Story since the establishment 2019

OUR MISSION

Our mission is to build a **united, sustainable, and trusted** football club that brings the Nepalese community in Australia together through the spirit of the game. We strive to create a positive environment where passion, teamwork, and respect drive lasting success — both on and off the field.

OUR VISION AND VALUES

At **Macarthur Nepalese Football Club (MNFC)**, our vision is to grow together — through hard work, teamwork, and passion — to become a bold, united, and inspiring football club that represents our community with pride. We aim to build a lasting platform for success that gives every player, supporter, and volunteer the chance to be part of something bigger.

We believe the heart of football beats both **on and off the field**. Our culture is built on respect, leadership, and friendship — powered by great people, strong values, and a shared love for the game. Through investment in our players, facilities, and community, we strive to create a space where everyone can learn, grow, and belong.

Our members and supporters are the soul of MNFC. Their passion drives every decision we make, and their support keeps our spirit alive.

Our values guide us every day:

Awareness — staying true to who we are and the community we represent.

Discipline — working hard and giving our best in every moment.

Relentless effort — never giving up on our goals.

Unity — standing together as one family, on and off the pitch.

Proudly based in the **Macarthur region**, MNFC is a fully registered and well-established Nepalese football club — bringing people together through the beautiful game.

We believe that **no individual is greater than the team**, and true success comes only through teamwork, trust, and shared purpose.

We believe that **discipline, planning, and open feedback** lead to better decisions and continuous growth — helping us move forward together with clarity and purpose.

Above all, we believe in **our community**. We are proud to nurture a deep emotional connection with our people, partners, members, and fans — the heart of MNFC.
